## Home and School Association Plan Classroom Tour

Plans have been made for the last official meeting of the Didsbury Home and School Association, before the school closing for the summer holidays. The meeting will be held on Monday, May 13, commencing at 8 p.m.

Committees have been appointed to bring before the membership information regarding an accident insurance policy for the school and also gather information on scholarships for grades eleven and twelve.

Rev. E. B. Fox, president-elect, and his new slate of officers, will be installed at this meeting.

During the program home parents will have the opportunity of visiting their children's class rooms.

## SPRINGSIDE NOTES

(From Our Own Correspondent)

Mr. and Mrs. Raymond Fischer spent the Easter weekend with Mr. and Mrs. Fritz Krueger and family of High Prairie. Fritz asked to be remembered to all his friends in Didsbury.

We wish Lawrence Chandler a speedy recovery following his recent operation.

The regular meeting of Springside Ladies' Group was held at the home of Mrs. Clarence Reeth. It was decided to give \$20 to the Scout Fund. Mrs. Steeves was the contest winner. Mrs. Nolley was the lucky winner of the hostess prize. We wish for the early recovery of Mr. Chamberlain, who is still in hospital.

Mr. and Mrs. R. Corbett and Brian were recent weekend visitors at the Bill Collinge home.

Sunday supper guests with Mr. and Mrs. George Innes, were Mr. and Mrs. Roger Barrett and grandchildren, Lynn and Brian Taylor.

Mr. and Mrs. Jack Zimmerman and family were Monday evening callers on Mr. and Mrs. George Innes.

Mr. and Mrs. Walter Spreeman and family and Miss Pearl Spreeman were Sunday supper guests with Mr. Thede and Marjorie.

Recent Sunday dinner guests at the home of Mr. and Mrs. Verne Wrigglesworth were Mr. and Mrs. Novoclose, Mr. and Mrs. Bill Collinge and family, Mr. and Mrs. Russell Gillrie, Mr. and Mrs. Jay Tugie and family, Mr. and Mrs. John Heath and daughter and Mrs. Wrigglesworth Sr.

Willie Novoclose was a recent overnight visitor at the Vern Wrigglesworth home.

Mrs. Raymond Fischer has been helping her mother, Mrs. Lawrence Chandler, during her father's illness.

Randy and Robert Jackson visited for a couple of days last week with their grandmother, Mrs. Lawrence Chandler.

The Duchess of Kent chats with Kwame Nkrumah, prime minister of the new African nation of Ghana, at a welcome ceremony in Ghana's capital city of Accra, during a recent visit to that country.

## MOUNTAIN VIEW

(From Our Own Correspondent)

Last Sunday evening supper guests of Mrs. Emily Hunter were Mr. and Mrs. Harold Swanson and sons, Mr. and Mrs. John Hunter, and Mr. and Mrs. Lawrence Hunter and Donna.

Mr. and Mrs. McCaig and family were Sunday supper guests with Mr. and Mrs. Don McIlroy of Mayton.

The regular meeting of the Mountain View Jolly Juniors Girls' Club will be held Friday, May 10, at the home of Marlene and Rosanna Sautter.

You are reminded to keep in mind the Jolly Juniors Girls' Club dance at Mountain View hall on May 24. Freda Scherer's orchestra.

Linda Snyder spent Sunday afternoon and night with Helen McKay and Harvey McKay stayed with Bruce Snyder.

Mr. and Mrs. Alfred Snyder and family visited Sunday evening with Mr. and Mrs. Charles Snyder.

## Popular Resident Laid To Rest

Mrs. Ruby Block, 51, died Monday at her residence in Didsbury. Born in Kimbleton, Iowa, she came to Brooks in 1925 and to Didsbury in 1946.

Surviving is her daughter, Mrs. Richard Kimmel and grandson, Brian, of Didsbury; four brothers, Levi and Henriksen of Cordova, Nebraska; Harvey, of Patricia, Alberta; Cleudus of Cheyenne, Wyo. and Arthur, of Kimbleton, Iowa.

Funeral services will be held in Knox United Church, Didsbury today (Thursday) at 2:30 p.m. with Rev. A. W. Magee officiating.

Burial will be in Didsbury cemetery.

## BIRTHS AT THE DIDSBURY MUNICIPAL HOSPITAL

To Mr. and Mrs. Bruno Hansen of Calgary, on May 4, a son. To Mr. and Mrs. George Pieper of Didsbury, on May 5, a daughter. To Mr. and Mrs. John Wanner of Didsbury, on May 6, a son.

## Family Films On The Menu

To observe "Family Life Week," three informative and interesting films will be shown at Redeemer Lutheran Church on Sunday, May 12 at 8:00 p.m. in the basement of the church.

The first film will be "This Way To Heaven." This is a touching story of an unchurched orphan who one day strolled into Sunday school and asked the question: "Mister, is this the way to Heaven?" The film presents a dramatic and touching story of Christian education and personal evangelism working hand in hand to bring Christ to the community.

The second film will be "As For Me And My House." The purpose of this film is to show that one of the requisitions of a happy marriage is a common faith in Christ the Saviour. This film is an effective presentation of the pitfalls of mixed marriages.

The third film is entitled "The Family Altar" and shows the joys and blessings of family worship. It is a heart-rending story of a grateful father and his little girl who hovers on the brink of death. An inspiring climax is reached when the little girl recovers and her father decides to institute daily family devotions in his own home.

You are cordially invited to see these three outstanding films at Redeemer Lutheran Church on Sunday, May 12, starting at 8 p.m.

## KNOX UNITED W.A. HOLDS REGULAR MEETING

Knox Evening W. A. met at the home of Mrs. Moore on April 30th with 22 members and three visitors present.

Roll call was answered with a bazaar article.

It was agreed to spend \$50.00 for necessary replacements in the Church kitchen.

Devotion was taken by Mrs. Banta, and Mrs. Eakson read an interesting citizenship article.

Flowers will be ordered for Mother's Day as usual.

## CREMONA NEWS

(From Our Own Correspondent)

Mrs. D. McBain is vacationing at the west coast with her folks. She will spend a couple of weeks there.

Mrs. C. Waterstreet spent several days last week in Calgary having a medical check-up. She has not been feeling well for a couple of weeks and decided to find out exactly what was wrong.

Mr. and Mrs. G. Uryniek and son have been Cremona visitors for a couple of weeks, visiting with Nola's parents, Mr. and Mrs. C. W. Waterstreet.

The literary, sponsored by Cremona C.G.I.T., assisted by the W.A., was held in the Cremona hall on Friday, May 3rd. Proceeds will go towards a camp fund for some of the C.G.I.T. girls.

A sizeable crowd appreciated the program. Mrs. F. Stone, C.G.I.T. leader, is to be commended on her leadership this year. Miss Marjorie Bird was the able mistress of ceremonies.

## CARELESS DRIVER PAYS A FINE

On May 8th, that's Wednesday of this week, Robert Bittner appeared before Police Magistrate D. N. McDonald, and was fined \$25.00 and court costs for driving a motor vehicle on the sidewalk within the Town of Didsbury.

## Golf Notes . . .

The Ladies section of the Didsbury Golf Club opened its season last Thursday afternoon, when 12 members were out to enjoy the summer madness.

The competition rounds will start on Friday, May 10. First time in the series the "hidden hole" will hold the spotlight. Try as usual at 4 p.m.

Members of the ladies' club are reminded of the "next-to-new" sale and should start collecting items for the event just about now.

No word from the men's club as to competitions or plans. Are they still alive?

## School Superintendent Honored At Banquet

Thursday evening, May 2, the annual banquet of the Olds Local Alberta Teachers' Association with 180 present, honored Mr. X. P. Crispo, long-time superintendent of this district, who retires at the end of the present school term.

The banquet, held in the Didsbury school auditorium, and catered to by the ladies of the Didsbury Home and School, was the best ever held by the teachers of this area. Good weather, beautifully appointed tables and banquet hall, an excellent menu and exceptional service by the ladies, assisted by the girls of Grade XI class of Didsbury High School, all combined to make the event one to be long remembered by all present.

A very interesting program included selections from the Carstairs, Didsbury, Olds and Sundre schools contributed to an entertaining evening, high-lighted by the address of the guest speaker, Dr. W. H. Swift, deputy minister of education.

On behalf of the members of the Olds School Division and the Olds School District, Mr. E. T. Wiggins presented Mrs. Crispo with a bouquet of American Beauty roses and Mr. Crispo with a framed picture, an original oil painting by R. Glasling.

Mr. T. Morris, on behalf of the school board, also made a presentation to Mr. and Mrs. Crispo, and spoke of the esteem in which Mr. Crispo has always been held by the members of the divisional board.

The teachers were very pleased to welcome back Mr. Ross Ford of Ottawa, former principal of the local school, who was in attendance.

The event was a complete surprise to Mr. Crispo but he was able, in a few well chosen words, to express his appreciation for the honor bestowed on him, and also his regrets at leaving the active field of education.

## Kinsmen Club On The March

The Kinsmen Club of Didsbury have made plans for a mammoth "scrap drive". If you have it in your mind, or even if you haven't, start thinking now! Do you want to see "Little League" baseball in Didsbury this summer?

At the moment there is a very active crew of Kinsmen picking up scraps of cast and steel from different spots around the country.

If you have some unsightly piles, or even just one small pile of the scrap mentioned, it would be greatly appreciated by the Kinsmen if you were to phone either Glen Roberts at 364, or Ray Johnson at 14, or leave word with Chuck Wrightson at the post office.

The initial cost of equipment for the "little leaguers" is approximately \$100. The scrap drive, with your co-operation, should surmount this figure.

## ZELLA NEWS NOTES

(From Our Own Correspondent)

With the centre packed to its doors, the Zella Community Club held a very successful bingo and raffle last Friday evening. To the business of the night, the Zella Club, who made this event possible by generous donations, thank you; to our hard-working ticket sellers, a hearty thank you; and to the people who have supported the building fund by buying tickets and attending bingo games, our thanks to one and all.

To our editor of The Pioneer we will also give a friendly nod; he's the fellow who has so willingly given publicity to our major project of the moment. May Vagardim impose on his goodwill and have the complete list of donors and winners printed in one and all.

Proceeds from ticket sales were \$560.00, from bingo \$164.00.

(The editor's goodwill is still working, but due to lack of space was not able to print the list mentioned above until next week.)

## W. I. Win Second At Handicraft Tea

Westcott Senior W.I. met at the home of Mrs. John Luft on Thursday, May 2, with 14 members and one visitor present.

Roll call was answered with an exchange of flower slips and a garden hint.

Mrs. C. Shields gave a short report of the Civil Defence course she attended recently. A report of the handicraft tea was given; Westcott Sr. W.I. came in second, with 12 first prizes, nine seconds and eight thirds, for a total of 109 points.

Mrs. R. MacFarlane had the agriculture topic for the day. She chose an article on "Food For Thought," extracts from Farmers' Forum, on the spread in prices between producers and consumers, showing why the housewife's purse doesn't go very far when buying foods in fancy plastic packages.

A new member, Mrs. Irene Turck, was welcomed to the group.

It was reported that 212 pounds of those old ones had been sent away, to be re-woven into new blankets, rugs, etc.

## IRWIN HORSE WINS AT CALGARY SHOW

Don Irwin's entry in the "maiden parade class" at the Calgary Horse Show, being held this week in Calgary, topped fourth prize in an entry of 10.

"Buttons" is the name of the happy horse.

## South West Didsbury

(From Our Own Correspondent)

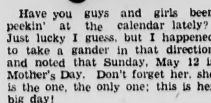

Mrs. S. R. Sherman and Sharon of Warner, are visiting with Mr. and Mrs. J. L. Tugie and other relatives.

Saturday evening over 50 friends and neighbors, and a bunch of relatives gave the newly-weds, Mr. and Mrs. Jack Edwards, a shower and chivari. Mr. and Mrs. J. Edwards and Fay, of Calgary, were overnight guests of the former. Welcome to the district folks.

Mr. and Mrs. Carl Luft and family were Sunday guests of Mr. and Mrs. E. Dippel and family.

Miss Norma Jean Dedels was a Sunday guest of Miss Sharon Hunsperger.

Mr. and Mrs. Gordon Weber, Mr. and Mrs. Donald Weber and family and Mr. and Mrs. Cecil Weber and family were Sunday dinner guests of Mr. and Mrs. Norman Weber.

## 4 H Dairy Club Enjoy Tour To City

The 4 H dairy club will meet Friday evening May 10th, at 8 p.m. at the farm home of Mr. and Mrs. Wm. Morton.

The last meeting was held during the Easter holidays at the home of Mr. and Mrs. George Shaw of Carstairs. The members enjoyed the activities of the day, which included a judging competition, and a demonstration by Jim Clarke of Carstairs on how to groom and fit a calf for the show ring. A tour to the city was planned for two days later on.

There was a full turn out of members for the tour. A number of parents accompanied them on the occasion. The Union Milk Plant was under inspection by these Jr. dairymen, where they saw the milk, some of it produced on their own home farms, pasteurized and bottled, also the making of ice cream and fudge-cakes.

During the lunch hour a visit was paid to the zoo, and a picnic lunch enjoyed. Following which everyone congregated at a fire station and thoroughly enjoyed the inspection of the fire fighting equipment, which was very educational.

The tour concluded with a visit to the Dr. Red Cross Hospital, and an inspection of rooms from top to bottom with the exception of the wards.

At the close of this very interesting and educational day, everyone expressed their thanks and gratitude to their club leader, Mrs. Spicer who had arranged the tour.

Marina Orschel, Miss Germany of 1956, gets admiring glances from the crew of a German Airlines plane as she signs autographs during a recent Montreal stop-over on her way to points in the U.S.

## ANNOUNCEMENT

THIS IS TO ANNOUNCE THAT WE HAVE SOLD OUR GARAGE BUSINESS TO MR. ALEX KELM, (formerly of Red Deer), but we will still operate our Body Shop under the name of PREVOST MOTORS.

Mr. Kelm will keep the same staff, and will operate under the name of KELM'S SERVICE.

Kelm's Service will give the same attention in all departments, plus welding service, in their shop or on your farm — at any time!

We would like at this time to take the opportunity to thank our customers for their patronage during the past years, and trust that they will give Mr. Kelm the same co-operation as was shown us.

**Not A Valid Argument !!!**

A number of Canada's metropolitan newspapers are elated over the defeat in the house of commons of a proposal that would have provided parity prices for agricultural products. Their argument is that farm support prices have already cost the country millions of dollars and any further move towards parity prices "simply means an attempt to interfere with the law of supply and demand."

In answer to this argument the Red Deer Advocate replies: "It is interesting to find this tender feeling for the law of supply and demand, which is said to be in danger of violation if prices for what the farmer has to sell are supported by government action. But what happens to this dear old 'law' in connection with things the farmer must buy? For example, if a Canadian

farmer could go across the United States border and buy his car or truck and drive it home, he could save himself several hundreds of dollars on the transaction. But he'd find when he drove up to the Canadian line that a custom officer of the Canadian government was waiting there to do a first class job of settling our old friend the law of supply and demand.

"And the Canadian farmer can't go across the line to buy a car. He must buy it in Canada and pay the Canadian manufacturer several hundred dollars more for it. The government has set aside the law of supply and demand by imposing a custom tariff which enables the Canadian producers to charge a higher price for the car. If that is not a 'support price' for the automobile manufacturer, what is it? 'If the so-called law of supply and demand is a true law it should be applied with complete impartiality to everyone. If that were done every restriction which affected the price or movement of goods would be removed. The protection of industry's prices provided by the customs tariffs would be eliminated, an event that would throw Canadian manufacturing into complete panic. It is got likely that any such thing will happen. But until it does happen, the law of supply and demand argument against parity prices for farm produce is not a valid one."

**LIGHT YOUR WAY WITH BIBLE STUDY**

Thousands of Christian leaders in every occupation have testified that they owe their success to God-fearing parents who made Bible reading and prayer a part of daily life. As we observe Mother's Day, we want to remember all the blessings we received at the knees of our mother. Through the efforts of Mother, we were closely knit into a family unit. And so we offer this prayer. Will you make it yours also, and as you read it, think of Mother.

"God made us a family.  
We need one another.  
We love one another.  
We forgive one another.  
We work together.  
We play together.  
We worship together.  
Together we use God's Word.  
Together we grew in Christ.  
Together we love all men.  
Together we serve our God.  
Together we hope for heaven.  
Through Christ, our Lord.  
These are our hopes and ideals.  
Help us attain them. O God!"

**CALF CLUB MAKE PLANS FOR SHOW DAY**

The April meeting of the East Didsbury 4-H Beef Club was held at the home of the Good boys. The members had a good afternoon, discussing prizes for the show day and who would be responsible for getting the prizes.

Correspondence concerned the field day, which will be held at the home of Alex Robertson on May 25. Starting time is 10 a.m. and everyone is to bring a picnic lunch. Reports were given by Robert Shells and Sandra Brander and a speech was given by the leader. After the meeting Jimmy Good gave a short quiz and showed films of their trip and their calves last year. The next meeting will be May 25, at Alex Robertson's.

**THERE WILL BE A CHANGE IN HOURS OF WORK, AS REGARDS GARAGES, IMPLEMENT DEALERS AND REPAIR SHOPS.**

It has been evident for some time past that the Wednesday afternoon closing of repair shops frequently interfered with customer needs and continuity of repair service.

The following dealers have therefore decided to keep the repair shops open all day on Wednesday and close the repair shops at 12 noon on Saturday.

The garages will maintain a parts and service only, on Saturday afternoon, up to 6:00 p.m., with one garage maintaining a staff for repair service during their week of rotation service, as has been done in the past.

The implement dealers will remain open for parts service till 6 p.m. on Saturday and during seeding and harvest season, till 9 p.m.

This action we feel, will provide a better service and still conform to the weekly hours of labor as required by the Board of Industrial Relations for employees.

The newly-organized Kinsmen Club are getting away in the right direction. Its first project is to sponsor a four-team "little league" baseball circuit in this district, which should be good news to youngsters and parents alike. Good training for the kids, good pastime for the elders.

#### Just For The Record . . .

Changes in business hours are coming at us from all directions. Most stores now remain open until nine on Saturday nights while, starting this week, garages and implement dealers will take it easy from noon on Saturdays; Wednesdays the latter group will be wide open all day. We understand both changes are trial plans, not necessarily of a permanent nature.

#### Just For The Record . . .

Some misunderstanding seems to be creeping around as regards the new hospital addition, tentatively scheduled to be officially opened late in May. There are those misinformed persons who think the bedding situation will be only slightly improved. Tain't so! The grant was for 14 and that means just that many more patients who won't have to spend their time in the hallways and rest rooms, or sitting on the matron's lap.

Calgary is listening in on the hail suppression deal. We warned you last year the 'smaller' centres would get on the band-wagon after we showed the way in this area. At the time of writing the city fathers are talking it over. They're getting in cheap, believe us!

### PERSONAL CHEQUING ACCOUNT

the new thrifter way to pay  
personal bills by cheque  
(AVAILABLE, JUNE 3)

If you now pay your personal and household bills by cheque, drawn against a Savings Account, then a PERSONAL CHEQUING ACCOUNT is tailor-made for you!

Here's how a PERSONAL CHEQUING ACCOUNT works.

When you operate a PERSONAL CHEQUING ACCOUNT, you use a special cheque book (containing 10 or 20 cheques—whichever you prefer) on which you pre-pay service charges at the new low rate of 10¢ a cheque. There are no other service charges of any kind!

No time is lost at the bank when you use a PERSONAL CHEQUING ACCOUNT, because there is no passbook to write up. Instead, you make your deposits using a special deposit slip, in duplicate, retaining the carbon copy.

We mail your cancelled cheques and a complete statement of deposits and withdrawals every three months. The cancelled cheques are proof that bills have been paid, and the up-to-date statement lets you know exactly how your personal finances stand.

Important: We recommend very strongly that you retain your present SAVINGS ACCOUNT on which you earn regular interest. A Personal Chequing Account is for making payments by cheque—A Savings Account is for saving money!

### Notes From D.A.

By Howard J. Fuleher

The farmer is the manager of his own business. This job must be well done if he hopes to achieve the satisfaction of running a successful business.

How can a farmer best approach better management of his farm? There are a number of factors that must be carefully considered, such as labor, capital and the marketing situation. When the various limitations are established a number of steps can be followed.

1. Recognize the family objectives: know what you wish to accomplish and know the standard of living you desire.
2. Carefully analyze the resources you have: this includes the land, stock, equipment and labor you have available.
3. Check over the phases of your present farming program, determine which ones are profitable, which ones could be improved, and which ones would be better dispensed with.

4. Know the problems in your business. Carefully consider alternatives for every problem. Each alternative must be carefully worked out and budgeted on paper to see if it is the best answer.
5. After making your decisions on the problems and picking out the most profitable enterprises, action must be taken. Choose the best of these carefully selected alternatives and make a comprehensive planned program for them, and put them into use.

By this method of evaluation and correction of the farm program the resources of the farm will be better utilized. Good management will pay off.

#### GOING UP ! ! !

An exceptionally well-dressed dowager with a haughty air stepped into the elevator of an office building and told the operator she wished to be taken to the seventh floor.

Whom do you wish to see on that floor?" the operator asked courteously.

Drawing herself up, the woman stared at him and asked, "What business is it of yours?"

"None, madam," he replied, "but there are only six floors in this building!"

### WEDDINGS

#### BAUGHMAN — FALK

Lois Ruth Falk and John Clifford Baughman were principals recently at the first wedding ceremony to be performed in the new First Church of the Nazarene, Victoria, B.C.

Rev. Wayne S. Munro officiated at the ceremony for the daughter of Mr. and Mrs. William Falk of Langford and the son of Mr. S. E. Baughman of Didsbury, and the late Mrs. Baughman. Mr. Falk gave his daughter in marriage.

For her wedding gown the bride chose white figured nylon over taffeta, fashioned with Queen Anne collar, fifty-point sleeves and bouffant skirt. Her tiara of iridescent sequins held a chapel-length veil, and she carried a bouquet of pink roses and lily of the valley.

As matron of honor for her sister, Mrs. C. E. Wall wore a gown of pink flocked nylon over taffeta, and a headress of pink rosebuds and lily of the valley. Her bouquet was of pink and white roses and carnations.

Little Wendy Ann Falk, niece of the bride, was flower girl and was also dressed in pink nylon over taffeta, with an identical head-dress. She carried a basket of pink roses and carnations.

Mr. Lloyd Baughman was best man for his brother, and the bride's brother, Mr. Meari Falk, ushered with Mr. Ken Foster.

Baskets of pink and white tulips decorated the church for the ceremony, at which soloists were Miss Coe Falk, niece of the bride, and Mrs. W. Munro.

A reception was held at the home of the bride's parents and later the newly-weds left on a wedding trip up-island. For travelling the bride wore a dress of imported blue polished cotton, with powder blue coat, navy and white accessories, and a corsage of pink rosebuds.

The new Mr. and Mrs. Baughman plan to live at Lulu Island, B.C.

#### NO ENCORE, PLEASE!

The father of triplets called up the local newspaper to report the event. The fellow, at the other end, not quite certain of what had been said, asked, "Will you repeat that?"

Snapped back the proud father: "Not if I can help it!"

## A LIBERAL CANDIDATE FOR BOW RIVER

A candidate is the most valuable to his constituency when he represents the party in power. The last time a candidate for Bow River enjoyed the privilege was during the Coalition when the U.F.A. members held the balance of power. That is over thirty years ago. It is time we in Alberta enjoyed being in power again. There is no doubt the Liberal government will be returned to power.

This being the case, a Liberal candidate would be in a fine position to be able to have a great deal to say with respect to the forming of policy. Social Creditors will tell you they will be in power. What chance have they when they have never polled over five per cent of the votes in Canada? The Conservatives will win some seats but are very unlikely to form the next government.

The most effective candidate is BATES FOR BOW RIVER!

## WEDDINGS

FULKERTH — WILSON

A pretty Easter wedding was solemnized in the Didsbury Evangelical Church on Saturday, April 20 at 3:00 p.m., when Shirley Joan, second daughter of Mr. and Mrs. D. M. Wilson, was united in marriage to Robert James Fulkert, son of Mr. and Mrs. Walter Fulkert of Innisfree. Rev. A. E. Stuckel officiated.

The bride, given in marriage by her father, chose a floor-length gown of white handkerchief lace poised over satin, with salina neckline softened with dainty lace scallops, lily point sleeves and ruffled bodice of lace. The very bouffant skirt featured three tiers of scalloped lace over accordion pleated tulle. From her dainty tulle and sequin crown misted a star sprinkled illusion veil in finger-tip length. She carried a white Bible topped with white orchids with purple throats.

The bride's attendants, Misses Jean Wilson as maid of honor, Mary Ann Wilson and Winona Rouleau as bridesmaids, chose identical waltz length gowns of deep lilac crystal charm designed with square neckline softened by deep folds of self material forming a shoulder line collar finished at the back with bow and sash ends. Lilac mohair bandeaus and dainty mittens completed the ensembles. They carried bouquets of lavender, iris and yellow carnations.

Miss Bonnie Millar, cousin of the groom, acted as flower girl and was dressed in a short dress of yellow dotted swiss nylon. She wore a tiny white bonnet, gloves and carried a tiny basket of iris and carnations.

Mr. Robert Fulkert, brother of the groom, was best man and ushers were Donald Irwin and Bernard Fulkert.

The bride's mother chose a dress of dusty blue with pink accessories. Her corsage was a deep mauve orchid.

The groom's mother wore a dress of navy blue with white accessories. Her corsage was a white orchid.

The soloist, Mrs. Harold Feeg, sang "The Wedding Prayer" while the bride couple knelt at the altar and "I'll Walk Beside You" during the signing of the register. Mrs. Walter McInnes supplied the wedding music.

At the reception for 150 guests, held in the church basement, Ivan Wilson, uncle of the bride, proposed the toast to the bride, ably responded to by the groom. Mrs. Feeg and Mary Ann Wilson sang "Oh Perfect Love" following the cutting of the cake.

Telegrams of good wishes were received from Miss Amy Wilson of Williams Lake, B.C. and Mr. and Mrs. Lambert Sherrick of Calgary.

For her going-away outfit the bride chose a powder blue suit with pink accessories. The arches from her bridal bouquet made up her corsage.

After a honeymoon trip to points in the United States, the bride and groom will make their home in Edmonton.

## Guesting Again . . .

A LITTLE MORE RESEARCH  
GENTLEMEN, PLEASE ! ! !

At long last the "experts" have conceded that perhaps the layman was right after all, and that it is just possible the layman may have a slimmering of intelligence or a smidgin of common sense.

For a long time now the scientists have scoffed and scorned at any suggestion that nuclear explosions could influence the weather. As far back as 1953 — the year when eleven atomic tests were carried out in the Nevada desert and drought hit the U.S. southland while the Eastern United States were being wracked by fierce storms — as far back as that, the ordinary, unscientific citizen was asking whether this was all just a coincidence. Calgarians will recall that Alberta had weeks of rain and otherwise nasty weather early that summer.

The scientists were quick to reject any suggestion of a connection between the two.

Now, however, no less a personage than Dr. Ross Gunn, a U.S. weather bureau expert, has suggested that there may be something to it after all. And he has evidence honest — so — goodness scientific evidence, too.

Dr. Gunn told the National Aca-

## Alberta Farmers . . .

Farmer Brown is a hard working man. He tries to grow all the food he can. Working hard from dawn to dusk. Fighting grasshoppers, weeds and dust.

For six whole days he rips and tears. And takes the seventh day to repair. Have you ever known him to go on strike? He would sooner work through half the night. So the city folks will have lots to eat. Eggs and bacon and plenty of meat.

And when he gets too old to farm. He usually goes where he can do no harm. Away up yonder, where there is no strife. Where he joins up with his loving wife.

demy of Sciences that man-made air pollution, including nuclear bomb tests, can bring on drought and heavy rainfalls.

All of which proves, of course, that scientists, and who should know this better than men of science, should not make sweeping generalities when they have so little data. The science of meteorology is still in its infancy and a good deal more study, of a scientific nature, of course, will have to be made before scientists can say with any certainty what does and what does not affect the weather.

Unfortunately it proves something more serious than this, though. Dr. Gunn's experimental evidence indicates, for the first time, that atomic and thermonuclear explosions have a definite effect on something, the weather in this case, which in turn has a very definite effect on mankind.

This, coming on the heels of reputable scientists' warning that continuing nuclear tests are building up radioactivity to a dangerous point, should prompt both military and scientific officials to take a long, hard look at what they are doing each time another super-bomb is exploded.

It does no good to say they don't think there is any risk. What is needed here, as the scientists should well know, are hard facts. And perhaps those facts, once discovered, would be so frightening, they would jolt all nations into stopping nuclear tests.

## Whose The Culprit?

During the Sunday morning sermon a baby began to cry at the top of its voice, and its mother carried it toward the door.

"Stop," said the minister. "Your baby is not disturbing me."

The mother turned toward the pulpit and said: "Oh, he ain't, ain't he? Well, you're disturbing him!"

Will  
Says

W. J. (Will) Edgar

Federal aid to agriculture has done much to assist the farmers of Canada.

The Canadian Wheat Board has encouraged orderly marketing of our grain.

Farm Improvement Loan Act has made it possible for 593,409 farmers to borrow \$633,331,479.

Since 1945 Prairie Farm Assistance payments to farmers was \$185,500,000.

Collections, \$96,700,000. Prairie Farm Rehabilitation costs to the Federal Government, \$110,000,000.

Agriculture Price Support total cost, \$89,382,052.

Wheat storage payments paid by Federal Government, \$60,500,000.

Farm Cash Income has grown from \$536,000,000 in 1935 to \$2,383,000,000 in 1955.

Being a farmer myself I realize that we must not lose sight of the fact that Agriculture is STILL our basic industry — our farmers have not to be made prosperous.

If elected I will work towards that end.

- How often a successful executive, far from his small-town birthplace — maintains his contacts through regular receipt of his weekly newspaper.
- There is nothing quite like a small town weekly for neighborly news and intimate contacts.
- People in the advertising business talk about selected audiences — sharply focused circulation. They have learned from experience that when a publication is specially edited to appeal to the specific interests of a smaller group of people, its opportunities to make sales are multiplied many times over.
- The weekly newspaper is that kind of publication. Whether its circulation is a few hundred or a few thousand, it represents effective circulation.

"GOD'S BEAUTY SALON"  
The cross at one time symbolized shame. Christ made the cross a symbol of beauty. "A thing of beauty is a joy forever," wrote the poet. Beauty admits of no crude defects, is not one-sided, is not ugly with extreme features, and is never marred by misplaced qualities and misapplied virtues.

Beauty requires balance, a picture, no matter how perfect, when hung off balance loses some of its distinctiveness. When proportion is lacking the picture very definitely falls short of one of the first requirements of beauty. A beautiful personality, like a beautiful picture requires balance, unity and power. Beauty is impossible where there is no unity. Life to be beautiful must be more than "bits and pieces." It must be more than "shreds and patches." A beautiful life must be a coherent experience, such as leaves no part out, and pushes no part to the wall, or permit some other part to become overgrown. Everyone needs that touch of God that saves from the scatteredness of personality, that regularly follows the misuse of those virtues and values with which heaven has endowed man. Every contact with the source of all beauty, whatever form that contact may take, makes a fresh contribution to the beauty of living. Daily we have use for God's beauty salon.

My dictionary says, "A seismograph is an instrument for making an automatic record of an earthquake shock." We think of it as an instrument to record facts concerning the oil beneath our feet. It is of use in helping us to understand the supply of our hidden material resources. God's beauty salon is of use in aiding his people to understand their hidden spiritual resources, and soul building powers. It is also of use in helping one and all to make the proper use of the powers He enables man to discover. Man is not lacking in power. Man is lacking in the desire to always make use of the power he has, in such a way as he believes will do the most good. We who are alive to living keep a picture hanging in a prominent place at the centre of our imaginations. This picture reveals the situation as we would like it to be. It portrays a way of living we think we would be satisfied with. Insofar as that imagined picture coincides with good and could prove to be an improvement on our present day way of living, we have the power to make that all come true. This will require that we put the power we now enjoy into such efforts and services as will result in the greatest good for the largest number.

We need more than knowledge. We need the inspiration of the higher beauty. When we criticise, our criticism is null and without meaning unless we believe in individual meaning responsibility. If the individual is not responsible for what he does, there is no place for criticism of any kind. If one person is responsible then all are responsible. Balance, unity and power do not thrive in a way of life where the childish interests in toys, trifles and tattoos are carried into life's mature years.

In God's beauty salon man learns not only how to feed, clothe and train the body, but also how to cultivate the spiritual qualities that are his. It is thus man learns the meaning of true beauty.

The old prophet writes, "He has appointed me to proclaim the year of the Lord, and to give unto them that mourn beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called the trees of righteousness, the planting of the Lord that He might be glorified."

"Tis God's all animating voice That calls thee from on high; Tis His own hand presents the prize To thine aspiring eyes, And carves His own salons, Where beauty never dies."

## CHRISTIAN SCIENCE

The true status of man, created in the perfect image and likeness of God, Spirit, will be set forth at Christian Science services. Sunday in the Lesson-Sermon entitled "Adam and Fallen Man."

Luke's account of one of Christ Jesus' healings will be included in the Scriptural readings (Luke 5:12-13): "And it came to pass, when he was in a certain city, beheld a man full of leprosy, who seeing Jesus, fell on his face, and besought him, saying, Lord, if thou wilt, thou canst make me clean. And he put forth his hand, and touched him, saying, I will: be thou clean. And immediately the leprosy departed from him."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following passage will be among those read (259:6-11): "The divine nature was best expressed in Christ Jesus who threw upon mortals the truer reflection of God and lifted their lives higher than their poor thought models would allow. Thoughts which presented man as fallen, sick, sinning, and dying."

EARTHWORMS IN GARDENS:  
The presence of some earthworms has been considered beneficial. This is true, but there may come a time when the population builds up to the point where they become detrimental. Since the earthworms ingest the ground and excrete it again, the process changes somewhat the physical properties of the soil.

Ground that has been overworked by earthworms will bake hard and be difficult to work with. Gardens stuff grown on this kind of ground may be slow in maturing and lack some of the essential elements.

Potatoes may be inclined to scab also. It may be to your advantage to reduce the worm population and this can be done as follows:

Measure the garden and determine the area in square feet. Purchase powdered bluestone, 3½ ounces per 1000 square feet. Dissolve this in 50 gallons of water and spread evenly over the 1000 square feet.

Follow this with a liberal soaking of clear water to wash the Bluestone down into the top soil. As the worms come to the surface during the night they will ingest this treated ground and die.

I have found it beneficial to treat my own garden in this fashion about once every three years. I have found it most satisfactory to do this job in the evening so that the sun does not dry out the ground. It will remain moist through the night and be far more likely to accomplish good results in reducing earthworm population.

## Alberta Farmers . . .

The sun comes up, the sun goes down.

The hands on the clock keep going around.

The farmer looks at his dirty fields,

And again he wonders how much it will yield.

He knows it's a gamble, none knows better.

That it all depends on Alberta's weather.

He patiently waits for the bonus to come.

To see what he sets to weather the storm.

However the clock keeps going around,

And time the seed was in the ground.

So the little tractor begins to hum.

The men start working — new hope is born.

The biggest gambler in the world

Is the patient farmer who feeds them all.

So the sun comes up and the sun goes down.

The farmer is tops in this Alberta of ours.

CORRECT STYLES  
FOR ALL

Miss Margaret Hanson of J. V. Borchert and Sons store has been graduated from the Gossard School of Cosmetology. The H. W. Gossard School of Cosmetology is the oldest of its type in the United States.

Miss Hanson was awarded the degree of graduate Cosmetologist after intensive study of basic anatomy, figure analysis, fashion trends, merchandising and advertising techniques.

She stated upon her return from the school that "figure-wise women are depending more and more on correct foundation garments. It is possible for every woman in Didsbury to have the new fashionable narrow-look figure in a custom-fit type garment. The work I have just completed taught me that every woman can have this exclusive custom-made fit without paying custom-made prices."

Borchert's invite everyone to come in and discuss with Miss Hanson their figure problems. A figure consultation service has been established and will help all women without cost or obligation.

## Federal Liberal Candidate . . .

W. J. (WIM) EDGAR

Born in March, 1897, in Calgary. Lived on homestead with his parents until 1906. Spent one year in Scotland, 1906-1907. Came back to

Canada and settled with his parents on a farm at Innisfail. Served overseas during the First Great War, coming home in 1919, and started farming for himself in 1922. He now operates the farm known as The Little Red Deer Hereford Farm of W. J. Edgar and Sons.

He served ten years on the municipal council, eight years as reeve; 20 years on the school board; has acted as president of the Alberta and Canadian Hereford Associations and represented the association at the first world's Hereford conference held in England in 1951.

He was winner of the Master Farm Award in 1949. He has been president of the Innisfail Lions Club and district governor of Lions International and is now International councillor. In the last war he served as president of the salvage drive and president of Innisfail and District War Memorial Society.

Mr. Edgar was leader of the Innisfail and District Club Calf for 15 years and has been a Legion member for 25 years. He is married with a wife and four children.

Mr. Edgar is an outstanding judge of Hereford cattle and judged in England, the United States, as well as in nearly every province in Canada.

## MAKES SENSE !!!

The bald-headed barber was trying to sell his customer a bottle of hair tonic.

"But how can you sell it when you have no hair yourself?" he was challenged.

"Nothing wrong with that," came the reply. "I know a guy who sells brassiers."

## DISTRICT NEWS

### M.V.B.C. NEWS

(From Our Own Correspondent)

The choir has had a very successful year. From time to time President Taylor heard of its progress and exception and we were pleased. On Sunday night the group returned to campus and Monday morning we had the traditional welcome breakfast for the young people who so faithfully represented the college. It was a time of real devotion and fellowship for us all.

Arthur Eby has taken a tape recording of their songs in Calgary as they sang in the churches there. Some of these were played, and they really sounded good. Mr. Carpenter, their director, will be leaving shortly for a choir school in the States, where he will be taking additional training for the work he is doing here.

This is a busy week. By the time this column is read, one of our students will be married. Clarence Stauffer and Wida Stevens are even now busily engaged in preparations for the great day on Thursday, and at 1:30 will be married in the Didsbury United Missionary Church. Wida has been working in the telephone office in Olds, and Clarence concluded his second year of college work. He will not be returning to school next year. We wish them much joy and success as they start out in life together. A shower for Wida was held in the Abe Reimer home as the young people presented a lively program in her honor. She received many useful and beautiful gifts from the friends who met there.

The students have scattered to their various summer occupations. Some will be working in Banff this summer and are already taken up with their work. Our Ontario student, Margaret McInnis, returned to her home by car. Mrs. Vera Forrest was touring to Ontario to do Sunday school work and Margaret accompanied her. The latter will be coming back for a second term next year, before she enters a hospital for training as a nurse.

LaVerne Neufeld has made a lovely trailer during the past couple of weeks. On Saturday he and his wife, Janice, left for Brooks, content in the knowledge that this little home would be a compact and comfortable place to live while he works with his brother there. It amazed all of us that such a fine piece of work could be done in such a short time, but then, of course, LaVerne did some of the dark hours of the 24 to accomplish his purpose, and then his Dad came along on occasions, and he is no mean carpenter himself.

Miss Eby is revelling in the acquisition of a fine new cupboard in her office. Arthur Eby, the maintenance superintendent, made it for the school and did an excellent job of it. The office is entirely changed in its appointments and the possibility of keeping things where they ought to be is greater now than in the past.

I believe that I mentioned the fact that garden space for the school is limited this year. Whatever friends can do by way of garden products for us will be most gratefully received. We have two deep freezers, and such things as can be frozen will be of great value to the college during the coming winter. We know that we can expect continued support from friends of the college in this respect.

### Rugby W.I. To Hear District Home Economist

The regular meeting of the Rugby W.I. was held at the home of Mrs. Harvey Hosegood, with nine members and one visitor present. Roll call was answered with a recipe for a "one dish meal."

Final arrangements were made for the June 6 meeting, which will be held in the hall, with Miss Neilson, home economist, as guest speaker.

Mrs. A. L. Hogg was chosen as delegate to the convention in Edmonton. Mrs. Douglas Hosegood as education convener dealt with the questionnaire on "school drop outs." Mrs. L. W. Kren had charge of the short topic and read a paper on the care of hair, and suitable colors for elderly women's clothes.

### FALLEN TIMBER

(From Our Own Correspondent)

Mr. and Mrs. W. Fyten visited Strone Sunday to attend the wedding of the former's brother.

Mr. and Mrs. Bill Moncey and family were Sunday supper guests at the home of Mr. and Mrs. Bill Dick.

Mr. and Mrs. C. B. Moore, Mr. and Mrs. Robert Moore and sons, Mrs. O. Moore, and Mrs. Lily McGiffin, all of Calgary and Mr. and Mrs. Bob Moore, Judy and Brian, of Sundre, and Mr. and Mrs. Joe McGiffin, of Calgary and Mr. and Mrs. Edna Bruns, and Mr. and Mrs. J. H. Cooper were supper guests at the home of Mr. and Mrs. Johnny Heston recently. Mrs. Lily McGiffin was presented with a leather hat bag as a going-away present. She is leaving Friday for London, England.

The May meeting of the Busy Bees was held at the home of Mrs. K. Teynor. It was decided to have a film at the school for the children (our country music class the date but it's some time this month). A film for the district will be shown on Saturday, May 18. The next meeting of the Busy Bees will be held at the home of Mrs. Ettie Loughheed with Olive Admussen and Delores McMullen serving. Members are reminded to bring six articles for the fish pond to the next meeting.

Friday evening, May 3rd, a contest was held in the Fallen Timber Church. Joannie Heston won the Maple Leaf for the 6 and 7-year-old group; Dale Luft won the bronze medal for the 9 and 10-year-olds, and Monty Moore won the silver medal for the 11 to 12-year-olds. The intermediate group medal was won by Arnold Stauffer, though it was only after great deliberation that he was chosen, as Dorothy Graham had also given an excellent recitation. It was most unfortunate that two medals couldn't have been presented to that group. We wish to thank all the youngsters and young people that took part and a special thank you to Lydia Teynor, who distributed the pieces and made the tickets for the contestants to wear. Also we wish to thank the judges, Mrs. Stauffer, Mrs. Forrest, Mrs. Gamble and Mrs. Hooper, of Didsbury, and Mrs. E. Luft and Mrs. A. Befus, of Elkton. Lynn and Kathy Fyten spent Sunday at the home of Mr. and Mrs. Barry McMullen.

Mr. and Mrs. Joe McGiffin were recent visitors at the home of Mr. and Mrs. J. H. Cooper in Cremona. Visitors at the home of Mr. and Mrs. George Admussen Sunday afternoon were Mr. and Mrs. J. H. Hooper, Mrs. O. Moore, Mrs. R. Moore and Mrs. Lily McGiffin.

### WEST NOTES

(From Our Own Correspondent)

Mr. and Mrs. C. Rawley of Bowden spent the weekend of April 28 with Mr. and Mrs. Arnold Hogg.

Mr. and Mrs. J. Gaez visited the former's sister, Mrs. L. Papke on Sunday.

Mr. and Mrs. A. L. Hogg spent Sunday with Mr. and Mrs. Fred Nadrie at Mound.

HERE'S A LOW-COST  
FORAGE HARVESTER  
FOR STANDING HAY-  
WINDROWED CROPS

IT'S THE NEW  
JOHN DEERE  
No. 10  
ROTARY CHOPPER

Here's a new chopped-hay and silage maker that's low in initial cost . . . big in capacity . . . so versatile you'll find its talents profitable on a half-dozen other jobs—it's the new John Deere No. 10 Rotary Chopper.

The No. 10 brings the pasture to the cow—fresh, nutritious, tasty. It cuts a full 5-foot swath without running down the crop . . . cuts cleaner than the average mower . . .

saves the precious leaves.

You'll provide top-quality silage with the No. 10. Combined with a low-cost trench or bunker silo, it cuts costs to rock-bottom.

The versatile John Deere Rotary Chopper also chops, shreds, and spreads stalks and brush . . . makes bedding of cornstalks and straw . . . handles many other jobs.

## Little Items of Local Interest

Mr. Barry Lashmar left Wednesday for Smithmore, to which point he has been transferred by the Royal Bank. His position there will be accountant.

Mr. and Mrs. Sid Fox and Mr. and Mrs. Ron Brunwell, who have been living in California, have returned to Alberta and intend to make their home in these parts.

Mr. Jim Miller formerly of Calgary Royal Bank has been transferred here as assistant accountant.

Fresh cut tulips for Mother's Day at Berscht's.

Mr. and Mrs. Jack Moulding and son, Mr. and Mrs. Don McRae and Mrs. Evelyn McRae, all of Calgary, were weekend visitors at the home of Mrs. Emma Wright and Leonard. They took advantage of the beautiful summer-like weather and motored to Caroline Sunday afternoon.

Following is a wee note from the Walter Unger family, who reside now at Wapato, Wash. We quote: Recently our family had the opportunity to hear the 'A' Capella Choir of Mountain View Bible College of Didsbury. They gave a sacred concert in Wapato on Sunday, April 28. As we knew some of them while living in Didsbury, it was a pleasure to meet them again."

Mr. Harold Madsen, brother of Mrs. Herman Larsen, passed away at Drumheller on April 26. He was laid to rest on May 1st. Mr. and Mrs. Herman Larsen, accompanied by Mr. and Mrs. Russel Gilrie and Mr. W. J. Scheidt attended the funeral.

### NEW SCHOOL FOR CREMONA THIS FALL

The Cremona Home and School Association met in the school on May 1st. There were 16 members present.

Business included a discussion on sending a delegate to the convention in Edmonton.

The principal, Mr. McEneaney gave a detailed account of the new school, being built in Cremona. The building consists of six classrooms, a workshop, home economics room, principal's office, staff room and a 30-ft. by 90-ft. gymnasium.

Pool Construction are the contractors and the work will be finished for the fall school term.

Concern was expressed at the poor attendance at the Cremona Home and School meetings, and it is hoped that in the future more parents will take an active part.

Mrs. Stone, from the Westbrook Home and School Association, was guest speaker; she gave an excellent account of the functions of the association.
